THEY NEED YOU

10th Annual Treasures in Paradise

HEAL A CHILD + CHANGE THE WORLD

The World Pediatric Project is committed to providing life-changing care to many children. The need is greater than ever. This year, we are excited to continue the tradition of WPP's Treasures in Paradise on a NEW date, but instead of gathering all together, we will provide you with the *bounty* to host your own small group gathering at home.

The concept is simple! You invite your chosen guests to the party location of your choice on Friday, April 23rd. On the event date, you'll receive your *Treasure Chest* full of a selection of fine food and wine that we are known for to treat your party guests. Throughout the evening, the famous Treasures in Paradise Auction will be open for mobile bidding, and at a designated time, the program will air through a provided link.

Create your own Treasures in Paradise experience! Create your own fun theme! However you choose to participate, know that your support of this year's Treasures in Paradise is crucial to World Pediatric Project as we address the overwhelming waitlist of children whose care has been on hold during the pandemic. Now more than ever, we need your help to meet the growing needs of children requiring urgent and swift specialty care.
